The Markets in Financial Instruments Directive 2014/65/EU ("MIFID II") and Commission Delegated Regulation 2017/576 ("RTS 28") require Investment Firms to summarise and make public, on an annual basis, the top five execution venues used in relation to the volume of trades placed across a range of financial instruments. Investment Firms are required to publish this summary both for trades they have executed themselves, and for trades they have placed with other firms for execution.
